5-27-2020 - The safety and well-being of our staff and visitors to Maryland State Parks is our top priority and we take that responsibility very seriously.

With that in mind, Maryland State Parks and trails will remain open at this time; however, staff will be taking extra safety precautions to mitigate the risk of contact with the COVID-19 virus.

All State Park buildings and picnic shelters are closed to the public.

All planned events and gatherings of groups larger than 10 people are cancelled through the end of June. The historic fort will also remain closed during the state of emergency.

We will continue to monitor the situation and adjust operations as events warrant. This website will be updated as new information becomes available.
